

Deltona

celebrating the decade of Deltona

Halifax Health/UF Health Medical Center of Deltona successfully opened in February. The \$153 million, six-story medical facility is 202,242 square feet and features four operating rooms, three multipurpose special procedure rooms, 13 intensive care rooms and 30 medical/surgical rooms. Services offered include anesthesiology, cardiology, emergency care, gastroenterology, general surgery, nephrology, neurology, orthopedic surgery, pathology, vascular surgery, radiology and urology. In its first year, the hospital will employ 211 full-time employees. The overall economic impact of the medical center once complete is estimated to be \$133 million. A two-story, 53,000-square-foot medical office annex is currently under construction and is expected to open very soon.

Amazon is the first tenant in the planned Portland Industrial Park, located between Normandy Boulevard and Interstate-4. Amazon's 1.4 million square-foot warehouse and distribution center promises to bring over 500 jobs with benefits to Deltona along with \$4 million in infrastructure improvements.

The City is opening two new nature parks this spring and expanding the nature park services at Thornby Park (110 Providence Blvd.) with the help of Volusia County ECHO (Environmental/Ecological, Cultural, Historical/Heritage, or Outdoor recreation) funds. The first is Deltona's Three Island Nature Park, located 2085 Brewster Drive. This park offers parking, a half mile of scenic woodland trails, and a deck that overlooks the Three Island Lake. The second is the first phase of Deltona's Blue Heron Nature Park located at 1841 Springwood Lane. Construction of Phase 2 will commence later this year. This phase of the park offers parking, over half of a mile of scenic trails, and five butterfly gardens. Thornby Park also now boasts an improved nature trail, boardwalks, a bridge, recreation of the old on-site trestle, educational signage and an outdoor classroom. The City acquired ECHO grants, funding nearly 50 percent of all project costs.

The City of Deltona, Florida, will conduct a Municipal Primary Election on Aug. 18, and a Municipal General Election on Nov. 3, for the purpose of electing city commissioners for districts 2, 4 and 6. All of the seats are for a four-year term of office. If less than two residents qualify for either Commission district seat, the Primary Election will not be held for that particular elected office.

To qualify as a candidate for a commission district, residents are required to submit nominating petitions containing the signatures of at least 100 electors residing within the boundaries of the district which he/she seeks to represent, OR pay a qualifying fee in an amount equal to three percent of the annual salary of the office sought, due to the City Clerk's Office by noon, May 11. Once candidates have submitted the DS-DE 9 Form (Appointment of campaign treasurer and designation of campaign depository for candidates) they can start the nominating petition form process. Signatures will be verified and any candidate who is notified by the City Clerk that the required number of signatures have been obtained will be entitled to subscribe to the candidate's oath and file the remaining qualifying papers during the City's qualifying period for the election beginning at noon, June 8, and ending at noon, June 12. Petitions and qualifying packets are available for pick-up at the City Clerk's Office, Deltona City Hall, 2nd Floor, 2345 Providence Blvd., from 8 a.m. to 4 p.m., Monday through Friday. For more information visit www.deltonafl.gov.

news notes

becoming a health care destination

State of the art medical care awaits patients entering the Halifax Health/UF Health Medical Center of Deltona which officially opened its doors on Feb. 3.

25 years for our city

This year the City of Deltona celebrates 25 years since its incorporation. Members of the City Commission, Volusia County Councilman, Dr. Fred Lowry and residents came out to City Hall in January to kickoff a year of celebration for the City. The issue of incorporation in Deltona was discussed as early as 1969, but incorporation attempts failed in 1987 and again in 1990. The third and final attempt came in 1995 and the "committee to incorporate" won by over 1,000 votes and at 12:01 a.m. on Dec. 31, 1995, Deltona became a city. Several items of historic memorabilia are available for viewing at Deltona City Hall for those interested.

April-June 2020

It's still great weather for a movie night under the stars! Grab your family, bring lawn chairs and blankets and join us in the courtyard outside City Hall for a free movie on a big screen under the stars. Parks & Recreation will host Movie in the Courtyard 7 p.m., April 17 (Angry Birds 2) and May 15 (Spider Man Far From Home).

The City's Public Works Department is encouraging Deltona residents to get involved with Spruce Up Deltona 2020! Residents are encouraged to work with their neighbors to clean their yards and throw away unwanted items and plant flowers, trees and shrubs. The City will provide large dumpsters for trash and unwanted items at 2931 Day Road (near the U.S. Post Office on Howland Boulevard) from 8 a.m. to 4 p.m., April 25-26. Please don't leave tires, motor oil, auto parts, pool chemicals and hazardous materials.

Looking for an affordable Summer Camp program for your children? Deltona Parks & Recreation will offer an exciting and versatile program this summer for children ages 5 to 12 to include arts and crafts, sports, field trips, swimming, skating, bowling and movies. Staff will offer the camps June 8-July 31 at \$70 per week. Registration will begin in March. For details, calls (386) 878-8900.

Residents should have received an invitation to participate in the U.S. Census 2020. Residents who did not participate or did not complete all questions, will receive a visit from a U.S. Census taker. Census takers will never ask for a complete social security number, money, donations or financial information. They will have a badge with a photograph, from the Department of Commerce; their supervisors contact information and a letter from the Director of the U.S. Census. Information the Census Bureau collects helps determine how federal funding annually is spent on infrastructure and services. Your answers help federal, state and local leaders make decisions about schools, hospitals, emergency services, roads, bridges, job training centers, and many other projects that affect your community.

Deltona Parks & Recreation hosts a quarterly "Previously Owned Treasures" at Deltona City Hall. "It's like a garage sale, only better!" Our next sale will be April 25. Vendors can rent spaces (\$5-10/indoor and outdoor). Applications are online on the Parks & Recreation Department page of the website. Some restrictions apply. Vendors may set up anytime after 6:30 a.m. Shoppers to the sale, should come prepared for cash-only transactions with individual vendors.

Looking for a place to host your next event? Let the staff at The Center at Deltona create a memorable experience for you and your guests in a space designed for your specific needs. Located in Howland Crossings, just off of Howland Boulevard, near I-4, at 1640 Dr. Martin Luther King Blvd., The Center at Deltona also offers delightful outdoor spaces and plenty of parking. Visit us for a tour. For information or brunch reservations and pricing, please call (386) 878-8875 or email TheCenter@DeltonaFl.Gov.
